Announcement from the Presiding Member – Kim Allgood

Ten years ago, during the 2014 Annual General Meeting, the steering committee of The Purple Bucket Foundation Inc. handed the reins to the first elected committee. I sit here with the largest committee we have ever had, some of the most incredible and selfless people, adults and juniors, with whom I have had the pleasure of working.

I look forward to experiencing our ongoing development as we grow within the world of research and suicide prevention. I am excited to see where else our journey may take us as the needs of our members and supporters guide us.

The first elected committee altered the constitution to include that Kim Allgood, the Founder, would remain on the committee of The Purple Bucket Foundation in some form for ten years; that ten years ends tonight.

Kim handed over to Jan Moser for the 2023/24 financial report.

Treasurers Report

The Financial Report for the year ended June 30 2024 has been completed. Once again, there was no audit requirement due to the absence of fundraising events.

We remain without a corporate sponsor. Significantly, however, we received \$30K in grants for training programmes and website development. The impact this will have is long-lasting and of great benefit to the Foundation.

The balance at year's end was \$31,234, which reflects the unallocated portion of the grant money. In overall terms we held steady with the preceding year. Our goals remain to resume holding fundraising events and hopefully find a corporate sponsor.

Motion: The Treasurer's 2023/24 financial year report is accepted as a true and accurate record.
